End of Debt Collections

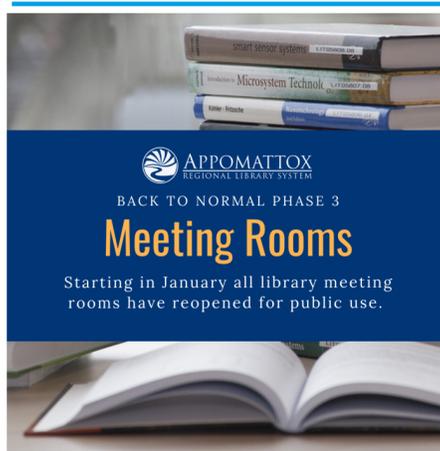

As of January 2022 Appomattox Regional Library discontinued the use of Unique Management, a debt collection service. We no longer felt the use of such a service was a benefit to our community. If you owe the library money, or have books that are long overdue, please contact us to work out payment or return options. In most cases returning the library items removes the majority of the fees, and it is our goal to clear accounts and increase library usage.

Friends Feature

Our Friends of the Library Group is looking for volunteers to staff the Friends' Bookstore, a secondhand bookstore in the Hopewell Library. Volunteers are needed for Thursday and Saturday Shifts. To learn more call 804-458-6329 x2001 or email mkitchen@arls.org. Can't volunteer? Consider other ways to get involved!

Friends of the Library

Make your reservations online at arls.org. The library is not tracking patron use or attendance in its meeting spaces. The person making the reservation is responsible for any safety protocols the group will use within the room. The library assumes no responsibility for the wearing of masks, maintaining social distance, or contact tracing from possible exposure to the COVID-19 virus. The group using the room assumes any risk from gathering as a group.

All Branches of ARLS will be closed: Monday, February 21st for President's Day
