Report of the Director: Mr. Manning reported on the following:

- **R1.** Tech Services has one vacancy that has not yet been advertised. Tech Services now has two full and one part-time employee. The hours of operation at Rohoic were shorten to 7 p.m., Monday through Thursday, and will continue those hours even if the building closes at 9 p.m.
- **R2.** Crater District Area on Aging Advisory Council is a new partner of the library. The library will serve as an outlet for getting information, such as events, programs, special messages, etc., to the public.
- **R3.** A revised internal proposed pay scale was presented to the Board that resulted from a review of library pay scales in surrounding areas. The last pay scale was created in 2016. The nine levels of pay have been reduced to four levels. Approval by the ARLS Board of Trustees is not required. Implementation of the new pay scale starts July 1, 2023.
- **R4.** The library staff participated in the Prince George, Hopewell and Dinwiddie Christmas parades. Also participated in the Hopewell Light of the Night celebration--distributed approximately 250 crafts; talked with 500 people about library services and resources; and 400 people came through making Christmas ornaments.

Appomattox Regional Library System Board of Trustees Regional Meeting Minutes of December 13, 2022

**R5.** Previously reported was declining membership with the Hopewell and Prince George Friends of the Library. However, a recent well-attended meeting had 14 friends in attendance who were willing to be Board members. The Dinwiddie Friends of the Library recently held open house and it, too, was well attended.

**R6.** FY2024 Budget calls for 6% increase for employees. Mr. Manning will be submitting the budget on January 7, 2023 to the Boards of Supervisors for the three localities. Ms. Binford moved to approve the budget as written and Mr. Pankey seconded the motion, and the motion was carried.

**Finance committee:** The finance committee met just prior to current Board meeting for review of the proposed FY2024 Budget and recommended approval as presented.

**New Business:** Ms. Eliades expressed some concern about the proposed 6% increase for employees vs. a 3% increase for the director. Mr. Williams called to convene an executive session.

**Closed Session:** Dr. Ruffin, secretary, moved that we go into executive closed session to discuss public business matters lawfully exempted from open meeting requirements pursuant to the personnel exemption at Virginia Code 2.2-371 1(A)(1). Ms. Eliades seconded. With a roll call vote, there was unanimous consent.

Certification after closed session: Mr. Manning and Ms. Terry returned to the regular meeting. Upon reconvening the regular meeting, the secretary asked: "Were only matters discussed in Executive Session public business matters lawfully exempted from open meeting requirements identified in the motion to convene into executive session?" Mr. Thomas moved the question and Ms. Eliades seconded. The secretary conducted a roll call vote. There was unanimous consent.

**Unfinished business:** Mr. Thomas reported that he had met with Mr. Manning on November 14, 2022 and reviewed his evaluation. The evaluation resulted in movement to level I-5. Mr. Manning, on behalf of Ms. Terry and staff, extended an invitation to the Board to attend the Library's Christmas party on Friday, December 16, 2022 at 6 p.m. at the Hopewell Library.

**Adjournment:** With no further business, Mr. Thomas called for a motion to adjourn. Ms. Eliades moved to adjourn; Dr. Ruffin seconded; the motion was carried. The meeting adjourned at 2:15 p.m. The next meeting will be held on January 17, 2023 at the Carson Library at 1 p.m.

Cumberland County Public Library	10.4.22	×	June 22, 2021	Fine-free for any materials returned late that are not needed to fulfill a Hold or that are not damaged (or lost). Since we only purchase one copy of any item, we chose to maintain fines for materials returned late that have a Hold request pending. We inform each patron when this event occurs and give them an opportunity to return the needed item before having to pay fines.	Despite the fact that fine income had decreased for several years because of staff automatically renewing patrons' overdue items (and contacting them with new due dates by phone or email), we actually didn't care whether the move was positive for the library. We cared that it was the right thing to do for our patrons. Unless an item was returned damaged or was needed for a hold and was not returned after being notified that someone else wanted it, all fines are forgiven. Life happens. We decided not to penalize people for situations that may have been out of their control and, by going back and removing all overdue fines from accounts, hoped to encourage people who couldn't check out materials
